Hi Dan,

The not likely determination document was signed this afternoon for P18-0100 & P18-0102. We'll mail the signed document to you. Let me know if you'd also like it to be faxed.

I've been assigned as the program manager for P18-0260. Give me a call when you have a chance, to discuss the assessment.

Best,  
Meg
